

## Living Hope

### Verse 1:

How great the chasm that lay between us  
How high the mountain I could not climb  
In desperation I turned to heaven  
And spoke Your name into the night  
Then through the darkness Your loving-kindness  
Tore through the shadows of my soul  
The work is finished the end is written  
Jesus Christ my living hope

### Verse 2:

Who could imagine so great a mercy  
What heart could fathom such boundless grace  
The God of ages stepped down from glory  
To wear my sin and bear my shame  
The cross has spoken I am forgiven  
The King of kings calls me His own  
Beautiful Savior I'm Yours forever  
Jesus Christ my living hope

### Chorus:

Hallelujah praise the One who set me free  
Hallelujah death has lost its grip on me  
You have broken every chain  
There's salvation in Your name  
Jesus Christ my living hope

### Verse 3:

Then came the morning that sealed the promise  
Your buried body began to breathe  
Out of the silence the Roaring Lion  
Declared the grave has no claim on me  
(REPEAT)  
Jesus Yours is the victory whoa

### Ending:

Jesus Christ my living hope  
Oh God You are my living hope

## Three Days Distress

### Verse 1:

My whole world has come crashing down  
I can't believe what I've just seen  
I'd be lying if I said I'm not scared  
When will I wake up from this dream  
I saw Your body laying lifeless and still  
I confess I have my doubts  
I know You said there would be time to grieve  
Never dreamt it'd feel like this,  
I can barely speak at all

### Verse 2:

We're gathered here in this upper room  
Sorrow and fear grip us all  
No one says a word, for the fear that we'll be heard  
Try as we may, we can't hold back the tears  
From the door comes knocking,  
it's ok you can let her in  
Why is she smiling,  
doesn't she know what's just happened?  
How can you smile in a time like this  
Through the tears she screams to me,  
our Savior lives

### Chorus 1:

He was broken on the cross,  
He gave up His life for us  
He said in three days He would rise  
Now I've seen Him with my eyes  
He rolled the stone away,  
He told us He came to save  
My life will never be the same,  
I believe in the empty grave

### Verse 3:

She's not funny, is she trying to help  
I was there, I saw it all, He's gone, that's the end  
With every minute that passes me by  
Can't help but think, my life's been a waste of time  
You spoke of joy, but it's nowhere in sight  
Tell me will that too come like a thief in the night  
Forgive my bitterness, forgive my disbelief  
But we're alone now,  
I don't know what else to think

Verse 4:

I haven't given up hope, no I refuse to let go  
I'm trying so hard to believe in You  
What's this commotion at the back door  
Is someone in trouble,  
why are they falling to the floor  
Who is this man with his back to me turned  
He slowly faces me, It's You, it's really You  
I fall to the floor, I'm not worthy of this  
Through the tears I whisper, my Savior lives

Chorus 2:

You were broken on the cross,  
You gave up Your life for us  
You said in three days You would rise  
Now I've seen You with my eyes  
You rolled the stone away,  
You told us You came to save  
My life will never be the same,  
I believe in the empty grave

Cry in My Heart

Verse:

There's a cry in my heart  
For Your glory to fall  
For Your presence to fill up  
My senses  
There's a yearning again  
A thirst for discipline  
A hunger for things that  
Are deeper

Pre-Chorus:

Could you take me beyond  
Could you carry me through  
If I open my heart  
Could I go there with You

Chorus:

For what do I have  
If I don't have you Jesus  
What in this life  
Could mean any more  
You are my rock  
You are my glory  
You are the lifter of my head  
Lifter of this head

Verse:

Pre-Chorus:

Could you take me beyond  
Could you carry me through  
If I opened my heart  
Could I go there with You  
For I've been here before  
Yet I know there's still more  
O Lord, I need to know You

Chorus: 2x
